

i-Ready Lessons for Summer 2024

Miami-Dade County Public Schools

Curated i-Ready lessons will be centrally assigned to rising 1st–8th grade students who are actively enrolled in the M-DCPS i-Ready rosters on the last day of the regular school year (2023-2024). Each student will receive a total of 10 curated i-Ready Math and i-Ready Reading lessons, with one exception. Students enrolled in the 3rd Grade Summer Reading Camp will receive a series of phonics lessons to be completed during the summer school day. These lessons were strategically chosen to reinforce skills learned in the previous school year and prepare students for the next grade level.

Additional Details:

- The lessons will be centrally assigned at the district level. **No action is needed** on the part of any school admins or teachers.
- All teacher-assigned lessons that are still showing as ‘not started’ or ‘in progress’ as of the last day of the regular school year will be cleared on June 7, 2024.
- Students will have access to curated “At Home” summer lessons beginning June 10th and through July 26th. Once completed, no additional lessons will be assigned.
- My Path lessons will be disabled for the duration of the summer.
- In the *rare circumstance* that additional summer lessons need to be assigned, above and beyond what is provided, teachers should make these assignments on June 10th or later. (Please note: Students in grades K-2 can only view up to 2 current assignments at a time. Students in grades 3+ can view up to 5 current assignments at a time.)
- If you have any questions regarding summer i-Ready usage, or if you need to request phonics lessons for a student who registered late for 3rd Grade SRC, please contact MiamiSummer2024@cainc.com for assistance.
